BIOs – Barbara Y. Martin and Dimitri Moraitis

Authors, Lecturers, Metaphysical Teachers

Having been called, “The Mozart of Metaphysics”, **Barbara Y. Martin** is considered one of the foremost clairvoyants and metaphysical teachers working today. Barbara was born with highly developed spiritual sensories. From the time she was a child she could see the aura in its subtleties, observe and communicate with spirit beings and showed precognitive abilities. As an adult, she added the ability to consciously travel to the spirit worlds. Professionally, she is particularly well-known for her work with the aura. She was one of the first persons in the United States to speak in-depth on the auric field, even before Kirlian photography brought the aura to public awareness.

Barbara has been at the forefront of the metaphysical/New Age movement for over forty years. Her classes and workshops have always been in demand. She has had extensive experience as a speaker before colleges, universities, scientific organizations, civic and community groups and received many awards from the International Toastmistress Clubs. She has lectured at various Unity Churches, Religious Science Churches and Theosophical Lodges, as well as Body Mind Spirit expos and metaphysical conferences throughout the country. She has been on numerous radio shows, as well as appeared on regional and national television.

From her work with the aura, Barbara has developed a highly effective technique to tap the source of our auric power to improve the quality of life. She has taught this technique to thousands of people with all types of problems and conditions with remarkable results. Her award-winning book *CHANGE YOUR AURA, CHANGE YOUR LIFE*. (ISBN: 09702118-1-3) is available in 30 countries. Her book *THE HEALING POWER OF YOUR AURA* (ISBN: 09702118-4-8) is the recipient of the Benjamin Franklin Award and has been endorsed by medical luminaries C. Norman Shealy and Dr. Richard Gerber.

In putting together her new book *KARMA AND REINCARNATION: UNLOCKING YOUR 800 LIVES TO ENLIGHTENMENT* (ISBN: 978-1-58542-816-8), published by Penguin/Tarcher (October 2010), Barbara drew on her many years of direct, extensive, clairvoyant experiences of the spirit world to give a first hand account of the inner workings of reincarnation and how really karma works, as well as reveal how both are part of spiritual growth.

Barbara has co-founded Spiritual Arts Institute, a 501 (c)(3) nonprofit educational corporation. Spiritual Arts Institute provides people from all walks of life the opportunity to develop their healing skills and spiritual potential through books and classes. Barbara also offers private aura readings, karma charts and healings.

Dimitri Moraitis is cofounder and executive director of Spiritual Arts Institute. He is an accomplished teacher, healer and is coauthor of *KARMA AND REINCARNATION, THE HEALING POWER OF YOUR AURA* and *CHANGE YOUR AURA, CHANGE YOUR LIFE*. Originally trained in Film/TV, Dimitri redirected his life's work early to pursue the path of metaphysics. Having worked with Barbara Y. Martin and metaphysics for over 26 years, Dimitri has been instrumental in organizing the teaching material and bringing Spiritual Arts Institute to the place it is today as one of the leading metaphysical schools in the country. He is an eloquent speaker on a wide variety of spiritual topics. He has lectured across the country, been on radio and TV, and teaches with Barbara the workshops and classes offered at the Institute.
